picked up by volunteers from Society and the O.P.P. on 7<sup>th</sup> or at the latest, Thursday,

In the past, classes have:

- collected money and then sent a few students shopping for items for their angel
- collected items purchased by individual students

This is not a contest. So a few well thought out items that match the wish list is what we are going for. Anything extra is a bonus!

May the joy of Christmas be yours now and throughout the year!
